OASIS

FOR BABIES, TODDLERS & THEIR GROWN-UPS

A safe space for your little ones to play while you relax, have a cuppa and make friends.

Our weekly activities include craft, singing and story-telling. If your baby is still too young to join in with some of these activities then we have baby mats so your baby can still enjoy watching the older toddlers play.

We are here every Thursday during term time, 10am-11.30am

St Mary's Church

EXPERIENCE THE VIEW FROM THE TOP

Friday 14 October & Saturday 15 October

Our tower is the tallest building in Hampton and the view from it is amazing. For the first time ever, and as part of the fundraising effort for the bell restoration, we are giving the general public an opportunity to go up there and experience this view for themselves. The journey to the top will take you past the inner workings of the tower including the ringing chamber, the mechanical clock and the bells.

Tours to the top will take place at specific times on the afternoon and evening of Friday 14 October and all day on Saturday 15 October and will include three special tours for each sunrise/sunset with a celebration drink at the flagpole. The tours involve some climbing of ladders and manoeuvring through combined spaces and are suitable for age 18 and above. All details are on our website, book in advance to avoid disappointment!

We will also be running bell ringing demonstrations and crypt tours suitable for all.
